

Having your Benefits paid directly into your Credit Union Account

It's easy and convenient to have your benefits paid directly into your Credit Union account; just follow these simple steps:

Step 1: For all benefit payments you will need details of **OUR** bank account so that we can trace your money when it is received.

Bank: **The Cooperative Bank**

Sort Code: **08 – 92 – 50**

Our Account number: **67005527**

Your Credit Union reference; this is in 3 parts:-

Your membership number / your first initial / your surname

So if you are **Joe Bloggs**, membership number **1234**, it would be **1234 / J / Bloggs**

Step 2: Make sure that you tell us at the Credit Union:

For Child Benefit: your **Child Benefit Number**

For all other Benefits: your **National Insurance Number**

Step 3: *When you have all the information above*, please telephone the relevant number to arrange payment into your Credit Union account:-
